BBR XR/CRF50 Aluminum Perimeter Frame Kit

The BBR Perimeter Frame Kit is the ultimate upgrade for your XR/CRF50. Each and every kit is handcrafted by the master fabricators at BBR. The unique frame design provides superior handling and eliminates the motor as a stress member of the frame. Broken motor cases and twitchy handling are a thing of the past! 100% engineered, machined, welded, heat-treated and tested in the USA.

- 6061 aluminum twin spar frame 1" longer than stock
- Patent Pending cradle design
- 6061 aluminum swingarm 5" longer than stock
- 8.0" of rear wheel travel utilizing a one-of-a-kind billet BBR SuperShock (by Elka) rear shock, custom-built specifically for the BBR Perimeter Frame. It is fully rebuildable, uses standard size valving shims and has a giant 16mm shaft. It also provides adjustable compression and rebound with optional spring rates.
- Tapered steering bearings pre-installed for easy assembly
- Brushed aluminum finish
- Comes complete with MSO paperwork for easy registration
- Frame Kit includes: frame, subframe, swingarm, shock, D-Section exhaust, gas tank, footpeg mounts, carb manifold adapter, chain guide and BBR gas cap.

BBR MidSize Pro chassis

Want a larger chassis for you CRF50 engine? This midsize chassis is custom fabricated for the 50cc CRF/XR motor. Available as a complete bike package from BBR, or as a rolling chassis, ready for you to bolt your own 50cc power plant right in.

"This is the next generation of mini-performance packages."

-Duane Brown-President BBR Motorsports

"Holy ____!"
-Chris Gosselaar

Mid-sized chassis for your high performance XR/CRF motor!

- Complete Bikes
- Rolling Chassis
- Frame Kits

BBR MIDSIZE PRO

BBR takes the next step into the future of the midsize class. Utilizing the light-weight and high-horsepower capabilities of the XR/CRF motor, and the Championship winning technology from our midsize platform, the masters at BBR have produced a combination that is destined to conquer. This package will be available as Complete Race Ready Bikes, Rolling Chassis and Frame Kit packages. Production is scheduled for early 2006, please call for details.

452-HXR-1003	XR/CRF100 93-06	\$849.95

TAKEGAWA 115cc BIG BORE KIT

Two different kits available. The S-Stage includes cylinder, piston kit, camshaft and gaskets. The Super Head Kit adds proven top-end performance and over-rev with a complete head utilizing oversized valves.

PART	PART NO.	APPLICATION	PRICE
S-Stage Kit	412-HXR-1001	XR/CRF100 93-06	\$399.95
Super Head Kit*	412-HXR-1002	XR/CRF100 93-06	\$645.95
Special Manifold	423-HXR-1002	XR/CRF100 93-06	\$45.00

* Super Head Kit requires use of special intake manifold adapter for stock framed bikes (423-HXR-1002)

BBR 26mm CARBURETOR KIT

26mm Keihin carburetor complete with manifold adapter, throttle assembly, throttle cable and extra jets for fine tuning.

PART NO.	APPLICATION	PRICE
420-HXR-1001	XR/CRF100 93-06	\$299.95

BBR PERFORMANCE CAMSHAFT

Bolt-on performance. Enhances mid-range and top-end power. Comes complete with replacement rockers and tappet adjusters. No core required.

PART NO.	APPLICATION	PRICE
411-HXR-1020	XR/CRF100 93-06	\$149.95

* HD valve springs required.

BBR HD VALVE SPRINGS

An essential component when building a high performance, high-revving CRF motor. Includes intake and exhaust springs with aluminum retainers.

PART NO.	APPLICATION	PRICE
411-HXR-1025	XR/CRF100 93-06	\$59.95

BBR HD CLUTCH SPRINGS

Eliminate clutch slip. Works with stock clutch pack for longer life and less slippage.

PART NO.	APPLICATION	PRICE
410-HXR-1005	XR/CRF100 93-06	\$24.95

KITACO INNER ROTOR IGNITION

A best-seller, this complete ignition system replaces your OEM Honda ignition with a small, lightweight, inner-rotor ignition. The result is a super fast-revving motor. Includes its own CDI/Rev-Box box and wiring harness. Uses stock coil.

PART NO.	APPLICATION	PRICE
450-HXR-1001	XR/CRF100 93-06	\$369.95

BBR REV BOX

Replacement CDI unit with enhanced power curve and no rev-limiter for optimum performance. Hotter advance curve for easier starting.

PART NO.	APPLICATION	PRICE
451-HXR-5001	XR/CRF80/100 94-06	\$59.95

Tim Weigand
2004 & 2005 Langtown Champion

"This is the only true works bike you can buy."

-Rich Taylor, Suzuki R&D, Magazine Test Rider

BBR ALUMINUM PERIMETER FRAME KIT

Multiple national championship winner. Includes frame, motor mounts, brake pedal, footpeg mounts, plastic gas tank, air-boot, exhaust system, graphics kit & seat cover, and BBR gas cap. Uses chassis components from 1996-2006 Honda CR80/85R/RB. Complete with MSO paperwork. Race ready bikes from \$7,999.

PART NO.	APPLICATION	PRICE
350-BBR-1008	CRF150F 03-05	\$3,299.95
350-BBR-1011	CRF150F 06	\$3,699.95
350-BBR-1009	CRF230F 03-06	\$3,699.95

BBR is ready to build the custom bike of your dreams! Genuine hand crafted performance 4-strokes.

CRF150/230

Honda CRF150

The CRF150 can satisfy a wide range of riders. From weekend warriors to the hardcore racer, BBR has the largest selection of CRF150 products available. BBR has won countless races with the potent CRF150. Unleash the beast!

BBR SKID PLATE

Protection for your valuable engine. 1/8" thick 6061 aluminum. Fabricated with the highest quality materials. Bolts on in minutes, all hardware included.

KLX/DRZ110

BBR KLX/DRZ110 Aluminum Perimeter Frame Kit

Want the ultimate KLX or DRZ110? The BBR Aluminum Perimeter Frame Kit is the trickiest frame money can buy. Utilizing a unique BBR design, this race ready frame eliminates the motor cases as a stress member of the frame while providing unsurpassed strength and performance from superior craftsmanship. The same frame used by Chris Gosselaar and Jen Krick to capture AMA titles at the MiniMoto SX in Las Vegas. 100% engineered, machined, welded, heat-treated and tested in the USA.

- 6061 aluminum twin spar frame 1" longer than stock
- 6061 BBR aluminum swingarm 2.5" longer than stock
- 8.0" of rear wheel travel utilizing a one-of-a-kind billet BBR SuperShock (by Elka) rear shock, custom-built specifically for the BBR Perimeter Frame. It is fully rebuildable, uses standard size valving shims and has a giant 16mm shaft. It also provides adjustable compression and rebound with optional spring rates.
- Tapered steering bearings pre-installed for easy assembly
- Brushed aluminum finish
- Comes complete with MSO paperwork for easy registration
- Frame Kit includes: frame, subframe, shock, D-Section exhaust, gas tank, footpeg mounts, brake pedal, side panels, chain guide and BBR gas cap.

*Patent Pending
*Shown with optional BBR SuperComp Billet swingarm.

BBR BIG VALVE RACE HEAD

Race proven performance. Developed by BBR's in-house engine R&D team, this head provides HUGE performance gains throughout the power curve. Each head is meticulously hand fabricated and assembled using oversized intake and exhaust valves, BBR's HD valve springs with retainers and BBR's Performance Camshaft. This is the same head that motored Chris Gosselaar to a AMA title in Vegas. For use with BBR's 160 and 143cc Big Bore Kits. Other applications may require piston modification.

PART NO.	APPLICATION	PRICE
410-KLX-1170	BBR 160 & 143cc Big Bore Kits	\$799.95

BBR 26MM CARB KIT

Featuring a Mikuni VM26 carburetor with BBR high-flow intake manifold for optimum performance. This kit is a must have for any bore kit larger than 130cc. Also includes: throttle, throttle cable, gaskets, extra jets for fine tuning and all necessary hardware. Add BBR Air Filter Kit for best results.

PART NO.	APPLICATION	PRICE
420-KLX-1102	KLX/DRZ110 02-06	\$279.95

BBR PERFORMANCE CAMSHAFT

Maximize the 110 power range.

Enhances mid- and top-end power with easy install. No core required. Use in stock motor or in addition to the 130 and 160 bore kits.

World Record!

BBR's Kyle Coen sets the world record distance jump for a 50 on October 29, 2005 at an official Guinness certified 108 feet. Unofficial practice jumps exceeded 120 feet. Watch for Kyle to increase this distance later this year.

"That ought to sell some frames for you."

-Kyle Coen to Duane Brown
upon landing his world record jump

Catalog Ordering Information

BBR's friendly sales and customer service staff is ready for your call!

Telephone Orders

Phone orders can be placed Monday through Friday, 7 A.M. – 5 P.M. PacificTime. Give us a call, toll free at (888) MOTO-BBR (888-668-6227), or at 253-631-8233.

Fax Orders

Fax orders may be placed 24 hours a day at 253-631-4260. **Please include the following information on all fax orders:** Name, shipping address, billing address, complete credit card number including expiration date and 3 digit security code, preferred shipping method, e-mail address and the best contact phone number for any questions regarding your order.

Payment

All payments must be made in US currency only. BBR accepts Visa®, Mastercard® and American Express®. For mail-in payment BBR will accept Cashier's Checks and Money Orders. Minimum order amount is \$20.

Shipping

A street address is required for all shipments (UPS/Fed-Ex cannot ship to a PO Box). Ground, Next Day Air, 2nd Day Air and 3 Day Select services available. Other shipping methods are available upon request. Custom bikes and shipments to be delivered outside the continental US require extra attention. Please ask your BBR representative for details. Please check our web site or call for more information on shipping and handling charges.
